

CIRQUE
Uniform Beanies

WHITEFISH

"We are thrilled with our uniform hats this year. Our employees are motivated to wear them because they look cool and keep them warm and our guests continue to comment on how sharp our employees look this year"

-Kristi Hanchett - Director of HR

"The team at Cirque created a number of different styles for us to choose from for the lift operations beanie. In prior years, we allowed staff to wear whatever hat they wanted which resulted in 150 different looks... Our team looks better than ever in matching beanies that are unique to our department and the envy of the company. Guest constantly ask where to buy them as well."

"I can vouch for the boost in morale and pride our staff had for the new beanies. I've never seen one of our employee's willingly wear their uniform beanie into and around town until these beanies came along. Our staff was proud of the professional and vibrant look these beanie provided and it showed in their enthusiasm in and out of work."

"Having a uniform hat, especially for the lift department, makes a great impression on the guests. Not only does it look more professional, it unifies the team. I can't tell you how many times guests came into the shop looking for the "liftie" beanie. We completely sold out of them in our retail stores."
